

NATURALLY ILLINOIS EXPO

INSTITUTE OF NATURAL RESOURCE SUSTAINABILITY

Friday, March 11, 9:00-3:00

Saturday, March 12, 10:00-3:00

Natural Resources Building, 607 E Peabody Dr, Champaign
A free, public event! Fun for all ages!

Experience fifty exhibits, hands-on activities, and demonstrations to help you discover more about science and our state. Interact with scientists who work on cutting-edge solutions to water, energy, ecosystem, climate, technology and cultural resource issues. Exhibits include:

Archaeological Dig • Turtles of Illinois • Carbon Sequestration • Fun with Water Chemistry • Biofuels and Biochar • Kids Fossil Dig • Earthquakes

Groups, contact Eric Plankell in advance at 217-265-8029 or expo@inrs.illinois.edu.
