**Friday, March 13, 9:00-3:00**

**Saturday, March 14, 10:00-3:00**

Natural Resources Building, 615 E Peabody Dr, Champaign

Explore over forty exhibits, demonstrations, and hands-on activities of interest to families, teachers, and students of all levels—especially those who may be interested in science-related careers. NEW exhibits this year include:

- Go "Green" With Ease
- Fun with Weather
- How Streams Work
- Mud to Parks
- Illinois Rivers Online
- Corrosion Showcase
- The World of Arthropods
- Rain Check Network
- Insects of Medical Importance
- and much more!

For the best experience possible, we recommend large groups contact Eric Plankell at (217) 265-8029.
