

NATURALLY ILLINOIS EXPO

INSTITUTE OF NATURAL RESOURCE SUSTAINABILITY

Illinois State Geological Survey | Illinois Natural History Survey
Illinois State Water Survey | Illinois Sustainable Technology Center

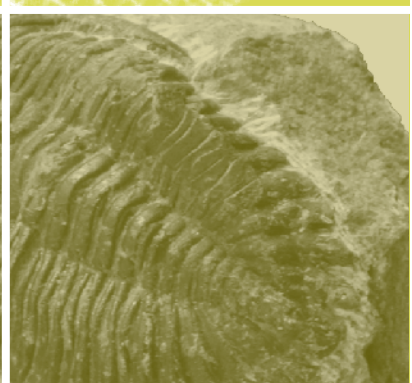

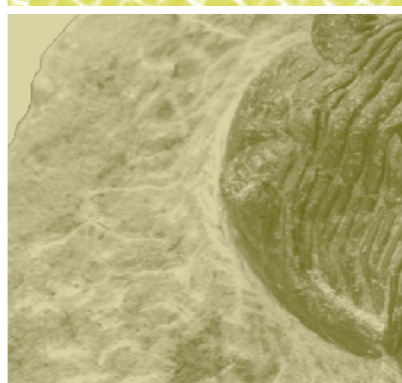

Over fifty exhibits, demonstrations, and hands-on activities of interest to families, teachers, and students of all levels—especially those interested in science-related careers.

NEW exhibits this year include:

Tips to Help You Go "Green" • Rain Check Network • Fun with Weather • Stream Table • Coal Swamp • Mud to Parks • Medical Entomology Lab • Natural History Mobile Science Center • AND MUCH MORE!

The 2009 Expo celebrates the formation of the University of Illinois' Institute of Natural Resource Sustainability (INRS), which unites the four state scientific surveys—the Illinois State Geological Survey, the Illinois Natural History Survey, the Illinois State Water Survey, and the Illinois Sustainable Technology Center (formerly the Waste Management Research Center).

For the best experience possible, we recommend large groups contact Eric Plankell (217-265-8029) in advance.
